- ❖ All members must complete a project book – Cloverbuds, Pre-Teen, JR Teen, or SR Teen.
- ❖ MCF Novice Walk Trot through Senior Advanced members put requirements in the project book in the proper sequence. Leaders - if the member is not moving up, please make a note in their book.
- ❖ Horsemaster members: The project book and horsemaster division book are **2 separate books**. Please do not put them in the same binder as they are scored by different people.

**Clubs please turn in all of your member's books at the same time.
It is much easier to make sure we have everyone's books.**
